With 36 years of home care and long term care experience, Maria's primary goal is to improve the quality of life for senior clients - as well as their caregiver(s) and family.

What is Elder Care Coordination?

In collaboration with our legal team...

- Assists the senior AND the caregiver with navigating the long term care system
- Conducts home visits to assist with identifying and resolving safety concerns in the client's home
- Coordinates referrals with resources and care providers in the community to assure the client receives the best possible care
- Collaborates with community organizations
- Has a working knowledge of home care and institutional federal and state regulations to advocate for clients
- Blends solid, practical real world advice with professional training and experience to help clients and families prevent or solve challenges efficiently

What is Elder Care Coordination, cont.

- Conducts home assessments and develops care plans in collaboration with medical, legal and health care providers
- Provides education and consultation for law professionals as well as the clients and families
- Provides assistance with Guardianship proceedings
- Arranges for respite or alternate housing
