

SCHEDULE A CONSULTATION

Thank you for reaching out to Levene, Gouldin and Thompson with your immigration inquiries. It is our great pleasure to help you with your visa needs.

It would be very helpful for us to analyze your situation at the initial stage if you can include the following information in your inquiry.

- Names of the individual petitioner and beneficiary
- Name of the company, if employment related
- What is the visa category you are seeking (family-based or employment-based)?
- What is the current legal status (visa type) of the beneficiary of the potential visa application and when does it expire? Provide any relevant details.
- Date and place of birth of the beneficiary
- Any previous issue with visa applications

You can also email us any immigration documents relevant to your inquiry at ilevenegouldin&thompson@lgtlegal.com.

While we do charge a fee for the initial consultation, if you decide to engage us in representing you in the visa application after the consultation, your payment for consultation fee will be credited toward your legal fee.
