

## **Larceny, Theft & Fraud**

If you have been charged with Grand Larceny, Petit Larceny, or other theft related crime, the consequences can be potentially severe. Furthermore, not all theft-related charges are straightforward. A knowledgeable and determined criminal defense attorney is critical.

At Levene Gouldin & Thompson we have successfully represented countless clients accused of Grand Larceny, Petit Larceny and fraud by state and local governments, agencies, private businesses and not-for-profit entities. We have the skill and experience necessary to ferret out evidence to exonerate clients or mitigate the consequences of the criminal charges.

If you have been charged with a crime involving larceny, theft or fraud, you should consult with a criminal defense attorney at Levene Gouldin & Thompson as soon as possible to protect your rights.
