August 2025

**RE: 2<sup>nd</sup> Annual LGT Charity Pickleball Tournament**

Dear Friends:

We're excited to announce that the Levene Gouldin & Thompson Charity Pickleball Tournament is back for a 2<sup>nd</sup> year with all proceeds going directly to the Tunnel to Towers Foundation in support of US Veterans and First Responders!

This year's tournament is being held in honor of John R. "JR" Gaudet, a Binghamton firefighter who tragically lost his life while battling a deadly house fire in this community just a few months ago. JR is survived by his wife, Felly, and their three young children, and we're proud to share that the Tunnel to Towers Foundation paid off the family's mortgage on July 4, 2025.

Pickleball is the fastest growing sport in the country, and this particular tournament brings players of all ages and skill levels together with spectators and generous sponsors like you who recognize the importance of supporting the families of US Veterans and First Responders right here in our very own community. By sponsoring this event, you'll not only contribute to a truly worthy cause but also gain significant exposure to a varied and growing audience.

The year's tournament is being held at the Binghamton University Lane-Starke Tennis Center on Sunday, November 9<sup>th</sup> beginning at 9:00 AM. Last year, we had over 115 players and a waitlist with even more players looking to get in on the action so your support this year will be instrumental in making this event an even greater success!

Please see the attached flyer for details on our different sponsorship opportunities and their benefits, along with a form to fill out and return.

We believe that a partnership with your organization would be mutually beneficial, and we thank you for considering this sponsorship opportunity. We look forward to the possibility of partnering with you to make a positive impact on our community while properly honoring Firefighter Gaudet's legacy.

Very truly yours,

LEVENE GOULDIN & THOMPSON, LLP

Katherine Higgins
